

# Alan

**Name: Alan**  
**Sex: Male**  
**Age: Approx DOB 30.04.2015**  
**Breed: Jack Russell**

Alan has ended up in our care, and needing a forever home through no fault of his own. This pup is a very happy boy, although he was shy at first, but you would never know it now!

He is currently living with two other dogs and he loves them. Watching his little legs do zoomies around the yard is great.

Alan walks well on the lead, and has a great personality. He will need ongoing training, and house training, as he has mostly only been an outdoor dog.

**Adoption Fee: \$350**

All dogs rehomed through WDR are vet checked, desexed, microchipped, C5 vaccinated, flea treated, wormed and registered with Wodonga Council
