

# Anika

**Name: Anika**  
**Sex: Female**  
**Age: Approx 2 years**  
**Breed: Staffy**

Anika was in the pound and her owner knew she was there but never came to get her which was heartbreaking for this poor girl as now she is stuck in the pound waiting for a the right home to come along, someone that has more value on her life than her previous owner. She is such a sweetheart and it is so sad to see her little eyes looking for her owner.

She is excellent on the lead, she is very quiet, absolutely loves cuddles and loves sitting on your knee.

She is extremely loyal and so grateful to get out of her pen and go for a walk. Anica will do anything for a pat and cuddle.

She is however quite reactive to other dogs but does respond to voice and I think with the right owner she will get out of that as the pound environment brings out the worst in some dogs.

**Adoption Fee: \$350**

All dogs rehomed through WDR are vet checked, desexed, microchipped, C5 vaccinated, flea treated, wormed and registered with Wodonga Council
