

Axel & Zara

Name: Axel & Zara
Sex: Male & Female
Age: Both 6 years
Breed: Staffy's

Axel and Zara, were surrendered together because of a family situation. They are friends and have been together forever so we want to rehome them together. They are both middle age (6yrs approx.) and are still waiting for a forever home. They are still in the pound and Axel has just been desexed but they are ready to go.

They are quite good on the lead. Zara is great on her own too but she really needs to lose some weight. Axel is not as tubby but he would benefit from daily walks. They will need regular exercise good diet and a toddlers pool (a shell pool is a must, as they love it!). They let you wash them and love the hose in the hotter weather.

They do get excited when they go for their outings at the pound so probably wouldn't recommend them for small children, with that said, they have very friendly natures. And they travel well in the car.

Adoption Fee: \$250

All dogs rehomed through WDR are vet checked, desexed, microchipped, C5 vaccinated, flea treated, wormed and registered with Wodonga Council
