

Bella

Name: Bella
Sex: Female
Age: Approx 3-4 months
Breed: Border Collie x

Bella, was surrendered with her mum a little while ago. Prior to coming into care she has not have a lot of life experiences.

Bella is quite confident around the home but it doesn't appear that she has ever seen a car before. She has always been with her mum and followed everything that she did so she is still lacking confidence or her own.

Bella does walk quite well on the lead but she hasn't had much training. She is great with other dogs and loves to play with them. She knows her name but her recall still needs some work and she is learning the basic commands.

She will need ongoing training and socialising and would benefit from going to dog training school.

She is a bit jumpy so wouldn't probably recommend her with small children.

Adoption Fee: \$350

All dogs rehomed through WDR are vet checked, desexed, microchipped, C5 vaccinated, flea treated, wormed and registered with Wodonga Council
