Bella was surrendered to us some time ago along with her mother as they were going to be shot. They were unwanted.

Mum has been rehomed and Bella was rehomed but she came back as she fancied the new owners chickens too much and she was a bit destructive.

She is now back in our care and is waiting foster care.

She is a Border Collie x and is a great social dog but needs training and needs to be away from chickens.

She is pretty active and good on the lead. Bella would thrive in an active household where she is kept busy.

She loves kids. She is good in the car and good on the lead.

Adoption Fee: $350
