

# Bo

**Name: Bo**  
**Sex: Male**  
**Age: Approx 7 years**  
**Breed: Jack Russell**

Bo is a beautiful Jack Russel who is approximately 7 years young. Bo is a warm, gentle dog who would suit singles, couples or families with children.

Bo is currently in a foster placement with a mother and her 5 year old daughter, Bo is friendly towards the little girl and loves playing with and the attention he gets from her.

Bo's current foster carer allows him to come in and out from outside to the house's garage and he is currently not allowed inside. However, upon being given to rescue, the previous owners stated that he is house trained.

Bo's favourite thing is to play with his ball, he loves running after it and is great at catching. Bo also loves lots of pats and cuddles, however he dislikes the water. Bo loves going to the dog park, and is great with other dogs, running around and playing with them without a problem. Bo also loves the car ride there! Bo also loves going for walks and is good on the lead, however at times he does pull a bit.

Bo has never been heard to bark, however at times he does whimper. Bo is well trained and responds to simple commands such as "here" and "out." Bo is always impatient with food and jumps around while being served, however the current foster carer is training him to sit whilst his meal is put down and he has improved immensely on this.

Bo stays in the yard and hasn't tried to 'escape' yet.

If you think that you would like a loveable, super cute dog to welcome you home with a wagging tail and big smile after a long day, Bo is definitely the dog for you! Come and say hello and see if you can be the forever home that this wonderful dog deserves!
