

Boomer

Name: Boomer
Sex: Male
Age: Approx 11 months
Breed: Bull Arab x Heeler x

My name is Boomer. I'm looking for a loving family with room in their hearts to adopt me. I'm still young so I'm still going through my puppy stage. I've been vaccinated, micro chipped & de-sexed. I'm a very friendly lovable boy and I just want to be around people. I'm trying really hard to rebuild my trust with men in my life so I hope you can help allow me to do this. I've been fantastic with young kids, I'm good around lots of people, and I'm great with other dogs. I'm curious about cats but I haven't been properly cat tested yet, all I want to do is play! I love going for walks and I'm a really good boy on the lead. I can even be taken off the lead and I won't stray too far from your side & come back when I'm called. I also don't usually do my business in public.

I would love to be able to come inside and spend time with you and haven't had any accidents when I've been inside... but if I can't I am used to being an outside dog too. I'm not much of a barking dog, but I can guard our house and do my job properly when called for!

If I can find my way into your home, I really hope you'll love me as much as I'll love you, I really do deserve a second chance in my forever home.

Adoption Fee: \$350

All dogs rehomed through WDR are vet checked, desexed, microchipped, C5 vaccinated, flea treated, wormed and registered with Wodonga Council
