

# Boris

**Name: Boris**  
**Sex: Male**  
**Age: Approx 3.5 years**  
**Breed: Maltese Shih Tzu**

This is the handsome little "Boris" who is in foster care with four other dogs and gets on well with them all.

He was very quiet and timid when he first came into care but has really flourished and come out of his shell and is now a cheeky little man who loves to play and likes nothing more than sitting beside us having a cuddle on the lounge. He loves car rides and walks quite well on lead.

He was quite matted when we picked him up from the pound but has since been groomed and looks a million bucks. He has gorgeous markings and such a beautiful soft coat.

We are still working on the toilet training as he tends to be a bit lazy especially in this cold weather. He sleeps in the laundry and has access to outside through the doggy door which he does use throughout the night to do his business outside, so you could say we are half way there J

He is pretty low maintenance, loves his food and is NOT fussy which is great.

He is fine with cats but not sure how he is with small children as we only have teenagers.

We would really like to see him go to a loving home who would have the time for ongoing training.

**Adoption Fee: \$350**
