

# Bulldozer

**Name: Bulldozer (Dozer)**

**Sex: Male**

**Age: Approx 3 years**

**Breed: Staffy**

His real name is Bulldozer, although he is affectionately known as Dozer.

Dozer is defiantly something special. He is a little boy with a big boof head but he is the cutest thing I have ever seen. As soon as you meet this little guy you will fall in love with him.

He has such a happy face and a waggly tail that makes the back half of him wiggles with it.

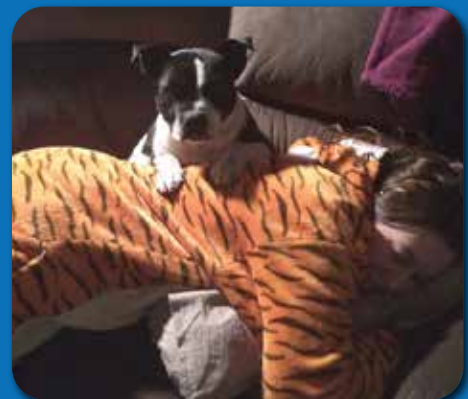

Dozer wants to be where you are. He is so loyal, relaxed and cruisy and wants nothing more than to be cuddled and scratched on the belly.

We have a cat that he is not concerned about and he is good on the lead. He could do with a bit more training but he has all the basics down.

All in all he is the perfect dog and is going to make someone unbelievably happy.

**Adoption Fee: \$350**

All dogs rehomed through WDR are vet checked, desexed, microchipped, C5 vaccinated, flea treated, wormed and registered with Wodonga Council
