

Bully

Name: Bully
Sex: Male
Age: Approx 10-12 months
Breed: Staffy x

Bully came through the pound a while ago but due to circumstances he has not long come into care. Kenny is very gentle and sweet natured but he can be a bit dominant around other male dogs that he is currently living with, so would be best rehomed with a female.

Or he is good on his own, he really wouldn't mind!

He loves to play tug of war and will come up to you with the toy in his mouth and give you a shove to play with him. He also loves the kiddie's pool.

He is crate trained and house trained and has been around children. This boy would love to be part of an active family that wants a companion inside and outside.

He is medium size.

Adoption Fee: \$350

All dogs rehomed through WDR are vet checked, desexed, microchipped, C5 vaccinated, flea treated, wormed and registered with Wodonga Council
