

# Chloe

**Name: Chloe**  
**Sex: Female**  
**Age: Approx 4 years**  
**Breed: Border Collie**

Chloe came to us through a local pound. They were surrendered because her and her friend kept wondering. Her friend has been rehomed and now it's Chloe's turn.

She has had several litters and her coat has suffered but that is starting to come good. Her recall wasn't good but it is getting better.

She is a very gentle girl and very loyal. She follows her carer around wherever she goes.

She is a bit pullly on the lead but loves her walks. She has basic training. She has been an outside dog but now is happy to come inside. Chloe gets along with other dogs.

**Adoption Fee: \$350**

All dogs rehomed through WDR are vet checked, desexed, microchipped, C5 vaccinated, flea treated, wormed and registered with Wodonga Council
