

Darcy

Name: Darcy
Sex: Male
Age: Approx 4-5 months
Breed: Mixed Breed

Meet Darcy who came to rescue through the pound. He is a medium to large mix breed puppy of 4-5 mths old. He is absolutely delightful. No trouble to foster. Great with every dog he has met. Plays well with big and small dogs. Just loves people and cuddles, and he just seems to have this smile on his face all the time. He is such a happy little fellow. He goes off and has a sniff and when called will come straight back. He doesn't jump on you, I haven't seen him dig in the garden and he doesn't jump fences.

I am not sure that he is house trained but so far he hasn't had an accident inside. He is good around his food and inside he is happy to flop at your feet, but if you get up he is up and coming with you. He hasn't had a lot of lead work but has basic commands, so he will need to have ongoing training and be kept social with other dogs. He is a pleasure to have in foster and he would suit a home with either another dog or someone home and a reasonable size yard.

Adoption Fee: \$400

All dogs rehomed through WDR are vet checked, desexed, microchipped, C5 vaccinated, flea treated, wormed and registered with Wodonga Council
