

Dee

Name: Dee
Sex: Female
Age: 2 years
Breed: Boxer

This is Dee a boxer female who was surrendered because her owner physically couldn't look after her. At the moment she is in foster with other dogs and just loves them. She must have been pretty lonely before because she just loves now to run and run and play with the other dogs. She also loves people.

She is boisterous and displays a lot of puppy behaviours but she seems to be just happy to be alive. She loves to chase....., the hose, other dogs, balls brooms and whatever else she can chase.

She loves her walks and is reasonably good on the lead but she really hadn't had a lot walking on lead recently as her owner wasn't able to walk her.

She will need a family that is going to put the time into her and not just leave her in the back yard. She is also going to need ongoing training. She knows basic commands and is quite well behaved even though she is boisterous.

Adoption Fee: \$400

All dogs rehomed through WDR are vet checked, desexed, microchipped, C5 vaccinated, flea treated, wormed and registered with Wodonga Council
