

Deisal

Name: Deisal
Sex: Male
Age: Approx 2 years
Breed: Mixed Breed

Deisal now back with us. We got the last home wrong so he now needs another. He is fantastic. He sits, drops, loves to play ball, loves to run. He can get out of high fences but in our experience, if a dog is happy it doesn't want to escape all the time. Deisal just wants to be with people and needs to be part of a family. He is still in the pound waiting for either foster or his new home. Even acres would be good but needs to be in an enclosed yard if not home. He would be good with another dog that loves to play.

He loves water and spends a fair bit of time when he can in the wading pool. He can be strong on the lead at times, but he does settle down and responds well to commands. He probably wouldn't be good with young children as he can be a bit jumpy and boisterous when he gets excited. Deisal is a super sweet dog, which loves his people, and loves to HUG them!

Adoption Fee: \$350

All dogs rehomed through WDR are vet checked, desexed, microchipped, C5 vaccinated, flea treated, wormed and registered with Wodonga Council
