

# Dekker

**Name: Dekker**  
**Sex: Male**  
**Age: DOB 14.05.2016**  
**Breed: Staffy**

Please meet Dekker who is a Staffy x born on the 17/5/16 while in care.

He is a delightful little man and has been socialised well with lots of dogs.

He loves kids and is young enough to socialise with cats.

He is now ready for his new home.

He is a typical pup that will need ongoing training and socialisation. He would be better with another dog as he is pretty social.

He has been on a lead, in the car and crated. He spends most of time inside but loves going outside to have a bit of a play. He isn't yet house trained yet though.

**Adoption Fee: \$400**

All dogs rehomed through WDR are vet checked, desexed, microchipped, C5 vaccinated, flea treated, wormed and registered with Wodonga Council
