

# Dexter

**Name: Dexter**

**Sex: Male**

**Age: Approx 18 months**

**Breed: Bloodhound x**

This boy just loves everyone and has socialised well although he doesn't seem to like cats.

He is fantastic with other dogs male and female and really good with kids and lets them poke him and annoy him when he is asleep and he just puts up with it.

He has been around horses and although he is a bit wary of them he doesn't bother with them.

He can be a bit strong on the lead but he is getting better and doesn't pull as much.

Dexter is an inside outside dog, good in the car and has a reasonable recall unless his nose is onto something.

He is a great dog, who is looking forward to finding his forever home.

**Adoption Fee: \$350**

All dogs rehomed through WDR are vet checked, desexed, microchipped, C5 vaccinated, flea treated, wormed and registered with Wodonga Council
