

Dozer

Name: Dozer
Sex: Male
Age: DOB 22.06.2015
Breed: Mixed Breed

Dozer is the big guy of the litter but has a gentle side to him. He hates to be away from his people and enjoys both playtime and snuggling in your lap. He enjoys exploring outside but prefers to be inside where you are.

This litter arrived after their mother ended up in our care pregnant. They have been hand raised, as mum was not doing too well medically, and they are not big and healthy enough to start to find their perfect forever home. These pups will do well with on-going training and puppy school.

Adoption Fee: \$400

All dogs rehomed through WDR are vet checked, desexed, microchipped, C5 vaccinated, flea treated, wormed and registered with Wodonga Council
