

# Dozer

**Name: Dozer**

**Sex: Male**

**Age: 18 months**

**Breed: Bull Mastiff x Rottweiler**

This boy has been surrendered. He is 18mths old and just a big teddy bear. He has lived with another male dog all his life and they get on great together but when he meets new dogs he just needs a bit of time to introduce himself and then he is fine.

He is a bit timid with new things but once he knows what's going on, where he is and who he is with he settles well.

Because of his size we wouldn't recommend he be rehomed with small children. Dozer will need some basic training but is mainly well behaved. He can pull on the lead but with an assertive, firm handler he will do well.

**Adoption Fee: \$350**

All dogs rehomed through WDR are vet checked, desexed, microchipped, C5 vaccinated, flea treated, wormed and registered with Wodonga Council
