Dusty

Name: Dusty

Sex: Male

Age: 5 years

Breed: Kelpie x

Dusty came to us because his owner was unwell and couldn't give him the care he needed any longer.

He is a 5yr old kelpie x. and such a lovely dog.

He has been in foster for a couple of weeks now and has settled in to the life. He is great with other dogs, horses, chooks and cattle but we have decided that he doesn't like cats all that much.

He has basic manners and comes when called. He doesn't like a loud voice and I have seen him disappear and hide behind bushes if you raise you voice.

This boy would adjust well to any home and would love to be an inside dog as well as outside. He bonded quickly to his foster mum so he would settle in well in the right home.

All dogs rehomed through WDR are vet checked, desexed, microchipped, C5 vaccinated, flea treated, wormed and registered with Wodonga Council
