

Ernie

Name: Ernie
Sex: Male
Age: Approx 18 months
Breed: Large Mixed Breed

Ernie spent a long time at the pound after being surrendered by his owner who could no longer care for him but has recently gone into foster care. He is only about 18 months old and still acts like a bit of a puppy but he is very well behaved. His foster family has a 1 year old who he is very gentle with but because of his size he is probably best suited to a family with older children or an owner who is willing to give him all the love and attention he requires. Ernie is the biggest cuddle and loves being around people all the time so would preferable go to a home where he is allowed inside at least during the night. Ernie walks really well on the lead although his lengthy stay in the pound has left him a little insecure on the lead around other dogs but the trainer says with some ongoing training and encouragement he will be a great dog! Off the lead he loves to play and run with other dogs but because of his size some dogs can be a little overwhelmed by him. He has great recall off the lead, travels well in the car and is a very well-mannered boy looking for a loving forever home.

Adoption Fee: \$350
