Faith

Name: Faith

Sex: Female

Age: DOB 14.10.2014

Breed: Bull Terrier x

Faith was surrendered to us when her owner was no longer able to care for her, she is a sweet girl and still very puppy like. Faith is a friendly girl who loves company of humans and can forget her size sometimes just trying to get attention; she is learning not to jump up but will need on going attention in the area. Although she is in foster with children, would recommend children 8 and up.

She sits and waits for her food and has learned to shake hands. Faith enjoys playing ball and running around with her fellow canine friends. Faith will need ongoing training as she is a very energetic, and needs to be kept entertained. Faith has been around two cats and is fine with them. Ongoing work will need to be done with her toilet training. Walk ok on a lead.

Doin

it for the

Currently in care with farm fencing.

Adoption Fee: \$350

All dogs rehomed through WDR are vet checked, desexed, microchipped, C5 vaccinated, flea treated, wormed and registered with Wodonga Council
