She is great little dog. She knows the doggie door, loves to play with her big brother and her two big foster sisters.

She loves to snuggle up for cuddles. Loves being outside but must go to a home where she will be inside as well and sleep inside at night.

We were lucky to meet mum and dad and they were lovely dogs, friendly and great temperament.

This poppet needs to go to a home where she is going to socialised, go to dog training and continue with her training to get the best.

it for the
