

Greta

Name: Greta
Sex: Female
Age: Approx 3 years
Breed: Staffy x

Greta is a great dog, and she is looking for a new home.

If you have a large area or yard that she can play in, and another dog to play with - she will love you forever!

Greta loves other dogs, although can sometimes act up in defence mode when on a lead, once introduced correctly - everyone is her best friend - and she's off playing happily.

She is very intelligent, learning very quickly, and responds well to praise and 'Good Dog!' but definitely NOT to a raised voice or hand. Greta has been to obedience lessons in the past.

Greta is after good home - ideally with a family - Greta is good with children. Don't know about babies but certainly with young school kids.

Adoption Fee: \$350

All dogs rehomed through WDR are vet checked, desexed, microchipped, C5 vaccinated, flea treated, wormed and registered with Wodonga Council
