Ita

Name:  Ita  
Sex:  Female  
Age:  Approx 6 years  
Breed:  Border Collie x Kelpie

Ita is a Border collie X Kelpie we think around 6 years old. She came in to the pound with very sore paws and sad. After a month or so she came out of her shell and the new sparkle in her eyes was a delight to see.

She has had basic training and has good recall.

She loves car trips adores swimming and is a pleasure to take anywhere as always so well behaved. She has met cats and ignores them the same with cattle.

Her forever home must be one that allows her inside and to be part of family life. Everybody who meets her says what a sweet girl she is and how well behaved.

Adoption Fee: $350

All dogs rehomed through WDR are vet checked, desexed, microchipped, C5 vaccinated, flea treated, wormed and registered with Wodonga Council.
