## Jerry

Name: Jerry

Sex: Male

Age: Approx 5 years

**Breed: Maltese Mix** 

Well this little guy has been such a delight to foster; he is great with other dogs big and small, great with cats and kids. In actual fact nothing seems to faze him whatsoever.

He walks well on lead and loves trips in the car even though he insists on sitting in your lap. He loves visiting the dog park and will approach all dogs large and small to say hi, I have never seen him aggressive. He has the most gorgeous soulful eyes and such a beautiful soft coat, he really is a lovely boy.

He has been checked over at the vets and sadly they have said he may be deaf, he doesn't have any recall so will need to go to fenced in dog parks. This doesn't seem to deter him from loving life to the full.

I think he would love a doggie companion as he loves to play with my dogs and they all enjoy playing with him.

Adoption Fee: \$200

All dogs rehomed through WDR are vet checked, desexed, microchipped, C5 vaccinated, flea treated, wormed and registered with Wodonga Council
