

Jess

Name: Jess
Sex: Female
Age: 4 years
Breed: Border Collie

Jess was surrendered to us because her owner who loved her dearly just couldn't manage her anymore.

She was on a farm but spent most of her time trying to round up the sheep but really had no idea what she was doing and because she was having so much fun having sheep running in every direction she wouldn't come when she was called.

So we now have her in care and she is a gorgeous dog.

Jess has had good basic training and is great with other dogs so you could take her anywhere.

She is great in the car, great with other dogs, good on and off lead and just a really good girl.

Jess will make a great addition for any family.

Adoption Fee: \$350
