

# Jordi

**Name: Jordi**  
**Sex: Male**  
**Age: Approx 18 months**  
**Breed: Mixed Breed**

Jordi came to us as a pup because he was too boisterous for the young children. He has been in foster with other dogs on a property where there is also horses and a cow, none of which worry him. He loves to come down the paddock for a run. His recall is great, he is housetrained, loves to chase the ball and he does actually bring it back. He loves to chase the hose and loves water. Jordi has basic training, is great with kids and other dogs, however we have found that he doesn't really like cats.

He is fantastic on and off lead and his recall is really good. He is also great with kids and just loves the attention and cuddles.

Jordi would make a fantastic family member where they are willing to give him the attention and love that he deserves. He is not demanding but would love regular walks or runs, regular socialising, pats and cuddles.

**Adoption Fee: \$350**

All dogs rehomed through WDR are vet checked, desexed, microchipped, C5 vaccinated, flea treated, wormed and registered with Wodonga Council
