

# Leila

**Name: Leila**  
**Sex: Female**  
**Age: 6 months**  
**Breed: Great Dane**  
**SPECIAL NEEDS**

Leila is only 6 mths old and already the size of a horse.

Sadly this girl was born deaf and has no vision in one eye but she is such a gorgeous happy dog, with such a beautiful nature it would be hard not to give her the best opportunity to a great life in a caring home.

She is in care with other dogs including 2 of her siblings and she gets on well with all of them.

She even shares her food with a kelpie pup.

She picks things up quickly so will be easy to train.

She walks well on the lead, is good in the car and loves to swim.

**Adoption Fee: \$350**

All dogs rehomed through WDR are vet checked, desexed, microchipped, C5 vaccinated, flea treated, wormed and registered with Wodonga Council
