

# Lucy

**Name: Lucy**  
**Sex: Female**  
**Age: DOB 22.06.2015**  
**Breed: Mixed Breed**

Lucy is a timid little girl. She is gentle and soft hearted. She will explore, with great caution, but prefers to be where she feels safe and secure. She loves to be around people and is especially cuddly.

This litter arrived after their mother ended up in our care pregnant. They have been hand raised, as mum was not doing too well medically, and they are not big and healthy enough to start to find their perfect forever home. These pups will do well with on-going training and puppy school.

**Adoption Fee: \$400**

All dogs rehomed through WDR are vet checked, desexed, microchipped, C5 vaccinated, flea treated, wormed and registered with Wodonga Council
