

# Luna

**Name: Luna**  
**Sex: Male**  
**Age: Approx 12 months**  
**Breed: Beagle x Siberian Husky**

Luna is a furry bundle of happy joy.  
This guy is always happy-go-lucky.

He is an energetic guy, who would benefit from a daily walk, or run!!!

Luna walks really well on the lead, but mustn't be let off in an unfenced area, as even though he knows his name, his recall is not good at all.

He is very friendly, and would suit most homes, providing they have great fencing (although he is not a Houdini, he will require secure suburban fencing). Luna is happy to come inside and be a part of the family in the evenings, as he does like to be included in with the family.

Luna would love it if you have another dog as company as Luna loves all dogs, but he does love to run and play and do zoomies with his canine friends.

**Adoption Fee: \$350**

All dogs rehomed through WDR are vet checked, desexed, microchipped, C5 vaccinated, flea treated, wormed and registered with Wodonga Council
