

Marshall

Name: Marshall

Sex: Male

Age: Approx 11 weeks

**Breed: Ridgeback x Staffy x
Rottweiler x Jack Russell**

This little fellow came through the pound. We called him Marshall, and he is now about 11 weeks and is a Ridgeback x Saffy x Jack Russell x Rotty. He is foster with other dogs and cats and is fine with them all.

He was quite bossy around his food but he has now learnt to sit and wait to be fed and not pig out on it. He will walk on the lead and is great in his crate. When its bed time he will happily go in now and sleep until morning.

Marshall has his play in the morning, then breaky and then nap time. In his family he is with large dogs that he gets on well with.

He will need to go to a home where he will have ongoing training and socialising. Potentially good with another older dog that will teach him the right way to behave.

Adoption Fee: \$400

All dogs rehomed through WDR are vet checked, desexed, microchipped, C5 vaccinated, flea treated, wormed and registered with Wodonga Council
