

# Mika

**Name: Mika**  
**Sex: Female**  
**Age: 2.6 years**  
**Breed: Boxer x Ridgeback**

Mika is looking for a loving permanent home. She was in care as a pup and we rehomed her but after 12mths she was in an awful state so we got her back. That was in May when we were told by the "owner" that they couldn't keep the weight on her however since being in care she has gone from a bag of bones to almost being overweight so we don't quite understand why they couldn't put weight on her.

Mika is now very happy and well covered but she isn't as friendly with other dogs as she used to be, although she is with other dogs but they need to be submissive. In the 12 mths she was away I don't think she was socialised much so she is getting back on track as she was socialised as a pup when she was in care. She is possibly a Boxer x Ridgeback and is now 2.6yrs.

She has been around kids and probably a bit boisterous with little ones, but she absolutely loves males and will jump through hoops to see the man in the house when he comes home. She loves to be inside but is outside during the day. She loves loves loves her food so she doesn't want to share with another dog or her bones. Give her a bone and you don't hear or see her all day.

She is learning how to wait for her food which she doesn't like doing as she wants it NOW but she is getting so much better and she is learning quickly not to take your whole hand when she is getting a treat.

She is a bit of a doofus but so loveable and absolutely loves water and swimming. The first time she went swimming I thought she was gone forever chasing the birds but she did come back!

**Adoption Fee: \$350**

All dogs rehomed through WDR are vet checked, desexed, microchipped, C5 vaccinated, flea treated, wormed and registered with Wodonga Council
