

# Missy

**Name: Missy**  
**Sex: Female**  
**Age: 5 months**  
**Breed: Boxer x**

Missy came into rescue after she was surrendered along with her 2 sisters. She is a boxer x about 5 months old.

She is in care with a young family and is fantastic with the children. They also have another dog and she gets on well with him and other dogs.

Missy is quite good on the lead but will need ongoing training and socialising being only a pup. Her house training is coming along but not quite there yet, and she knows basic commands.

It would be good to see her go to a family that is prepared to follow up on training and that will give her a great home that she deserves.

**Adoption Fee: \$400**
