

# Muffin

**Name: Muffin**  
**Sex: Female**  
**Age: 6-7 years**  
**Breed: Foxy x**

She is a beautiful little foxy cross girl dog. She came from an elderly lady who has gone into care and now needs a new home. She is about 6-7 years old and in good health, still energetic. She's great on the lead and easy to walk. Muffin is currently a bit overweight from getting too many treats and does have some anxiety issues which are subsiding with training. She is great with other dogs, kids and responds to her name so she's easy to call back when in a park.

What a little cutie and so soft to touch!  
Housetrained, can easily use small doggy doors and is used to sleeping outside. Not picky with food and loves being patted. She has a lot of love to give. She would be a good companion dog for a person or another lonely dog. She is still a little bouncy, so would be better for a younger or more energetic dog. But she does calm down easily when required. She is not a digger, climber or much of a barker. She doesn't fetch or care too much for toys but enjoys company. An easy dog to have around.
