

Neil

Name: Neil
Sex: Male
Age: Approx 4 years
Breed: Maltese

Neil came into the pound like so many Maltese, matted and smelly but underneath that coat was a lovely little dog.

At the moment he is in care with other small dogs and gets on with them all but he is really a bit of a loner and quite happy to sit back and watch the action instead of taking part.

He loves his walks daily and is house trained.

He is very quiet and rarely barks. He travels well in the car.

Neil would probably suit a quiet home where he can just cruise around and go for his walks and get cuddles.

Adoption Fee: \$400

All dogs rehomed through WDR are vet checked, desexed, microchipped, C5 vaccinated, flea treated, wormed and registered with Wodonga Council
