

# Oakey

**Name: Oakey**  
**Sex: Male**  
**Age: Approx 2 years**  
**Breed: Kelpie**

Oakey was bred originally to be a working dog, but is way too soft for that and has been a much loved family pet. He is great with kids, and very tolerant.

He has great basic commands, and is active but not bouncy. He does not bark much, and just loves to be at your feet - he loves people!

He is housetrained, but has been mostly an outside dog.

He is great with other dogs, and would ideally suit an active suburban family, that has NO sheep.

This dog is nothing but fantastic.

Oakey also comes with 9 months insurance.

**Adoption Fee: \$350**

All dogs rehomed through WDR are vet checked, desexed, microchipped, C5 vaccinated, flea treated, wormed and registered with Wodonga Council
