

# Little Poppy

**Name: Poppy**  
**Sex: Female**  
**Age: Approx 4 years**  
**Breed: Jack Russell x**

This delightful girl came into rescue through no fault of her own. It seems she was dumped on a dirt track and fortunately someone saw her and picked her up. She is no worse for wear though.

She is lovely. She is in foster with another male and female dog and is good with both.

She is very polite and doesn't seem to like to eat in front of other dogs. She doesn't pull on the lead and will happily walk with you enjoying her walks. She appears to be house trained.

She is obviously used to the car as she happily got in when she was leaving the pound.

Little poppy is 4yrs and Jack Russell x something a bit bigger, and would suit any situation pretty much.

**Adoption Fee: \$350**

All dogs rehomed through WDR are vet checked, desexed, microchipped, C5 vaccinated, flea treated, wormed and registered with Wodonga Council
