

Rain

Name: Rain

Sex: Female

Age: DOB 1.09.2015

Breed: Bull Terrier x

Rain was surrendered to us because of relationship breakdown and the partner that kept her didn't have the time to put into her.

At the moment she is at the Beechworth Correctional Centre getting some one on one time and training, which is working out well for her. Rain is deaf, not that it slows her down. She knows the basic hand commands but is learning more as she goes.

When she came into care she was quite reactive to other dogs and still is but she was living with another dog before she came into rescue.

She can be a bit strong on the lead but she is learning.

She will require follow up training where ever she goes.

Rain is not suitable to go to a home with birds.

Adoption Fee: \$350

All dogs rehomed through WDR are vet checked, desexed, microchipped, C5 vaccinated, flea treated, wormed and registered with Wodonga Council
