Roley

Name: Roley

Sex: Male

Age: Approx 3.5 years

Breed: Mixed Breed

Roley has been in care for a while as it has taken that long for his personality to show. He was a bit funny with other dogs while he was in the pound but since he has been in foster care he has settled beautifully. He has been around puppies for about a month and he been great with them, even tries to play with them and the pups are big enough to play back.

He is scared of the hose. Every time I turn the hose on to water the grass he is nowhere to be seen. Roley is super friendly with his people and very loyal, as he would follow me everywhere if he could with his nose at my hand. He is quite protective of his yard and will bark at strangers. He loves his walks and loves to run and travels well in the car. He hasn't been around cats while he has been in foster or small children but we were told he is good with kids.

Not sure of his breed but he is about 3-4 yrs old.

Adoption Fee: \$350

All dogs rehomed through WDR are vet checked, desexed, microchipped, C5 vaccinated, flea treated, wormed and registered with Wodonga Council
