

# Shirley

**Name: Shirley**  
**Sex: Female**  
**Age: 8 weeks**  
**Breed: Kelpie**

Shirley's mum was rescued from someone that wasn't looking after her, not knowing that she was pregnant. Not long after coming into care she had 4 beautiful puppies.

This baby is now 8 weeks old and will be ready for a new home in a month.

She has been really well socialised with kids, dogs, cats, you name it.

She is a kelpie and will need an active home, where she will get plenty of socialisation and follow up training and love.

**Adoption Fee: \$400**

All dogs rehomed through WDR are vet checked, desexed, microchipped, C5 vaccinated, flea treated, wormed and registered with Wodonga Council
