## Simmy

Name: Simmy

Sex: Female

Age: Approx 12 months

**Breed:** Great Dane x Bull Arab

This gorgeous girl came to us from another pound. She was on death row and we couldn't bear to see her get put to sleep so she came to us. She has turned out to be an absolute gem of a dog. Simmy behaves like a big puppy who loves to play and will run after a ball but she won't bring it back.

She knows how to sit and shake and she is learning the drop, and because she is very treat orientated she will be easy to train. There have been no accidents in her crate but she has had the odd accident inside because I didn't see the warning signs. I have hosed her down and she loves it, and so easy to bath.

Simmy loves to please and when he tail wags her whole body goes and she never stops smiling..

She is very gentle and great with smaller dogs, also good in the car. She can be a bit strong at times on the lead but most of the time she walks well. She does love to be inside and is pretty good. She walks around for a bit wagging the tail when she first comes in but after a while she will just lie down.

Adoption Fee: \$350

All dogs rehomed through WDR are vet checked, desexed, microchipped, C5 vaccinated, flea treated, wormed and registered with Wodonga Council
