

Smokey

Name: Olive
Sex: Female
Age: Approx 3-4 years
Breed: Chihuahua x Pug

Smokey moved into foster care as though he has lived here all his life, only after 2 weeks. He just loves to play with other dogs male or female, he doesn't care. He loves to play ball and will bring it back but that's when he gets a bit excited and barks at you until you throw it again. He likes being inside and he sleeps inside at night in a crate. He has had the odd accident but mainly good.

He is great off lead where he can run but never goes too far and will come back. His recall is good, and he is good on lead. He does tend to cringe or run off if you growl, but he is getting much better as he knows he isn't in trouble. He doesn't wander off either. He is in foster on acreage and he goes out in the morning for toilet and doesn't go far before he wants to come back in.

He would suit a young active family that wants a dog to be part of their family, and where he can sleep inside at night.

Adoption Fee: \$350
