

Stella

Name: Stella
Sex: Female
Age: Approx 12 months
Breed: Staffy x Jack Russell

Stella is possibly a Staffy x Jack Russell (we think). She was left at the pound so she is now in rescue.

She is so affectionate and so sweet. She went into foster care but they carer had another female dog and unfortunately they didn't get on.

We have seen her to be very submissive to other dogs and very gentle so we would prefer her to go to an only dog home where she can be the centre of attention which is what she wants.

She is not overly active but would love regular walks.

She is house trained, loves people and is just a great little dog.

Adoption Fee: \$350

All dogs rehomed through WDR are vet checked, desexed, microchipped, C5 vaccinated, flea treated, wormed and registered with Wodonga Council
