

Tammy

Name: Tammy
Sex: Female
Age: Approx 3 years
Breed: Foxy x Jack Russell

Tammy came into the pound terrified of everything that moved, along with her friend Timmy. They have both come out of the shell since being in care and are ready for adoption.

She loves her daily walks, and gets on with other dogs. Not sure about cats. She is good in the car and loves cuddles.

She is house trained although the first night he and Tam wouldn't come inside and insisted on sleeping out the shed.

However they have realised what it's like to be inside and are quite content. We would dearly love Tim and Tam to go to a home together but they can be separated.

Adoption Fee: \$350 or \$700 with Tim

All dogs rehomed through WDR are vet checked, desexed, microchipped, C5 vaccinated, flea treated, wormed and registered with Wodonga Council
