

Toby

Name: Toby
Sex: Male
Age: Approx 10 months
Breed: Bull Arab x Red Heeler

Toby has come along in leaps and bounds since being in foster, toilet trained, basic obedience, doesn't dig or jump, and is the friendliest, most affectionate dog I've ever met.

He is fantastic in the car and loves going for car rides, excellent off lead and great entertainment with his antics in general.

Toby is great with kids, dogs, cats and pretty much everything else.

Toby is also the biggest smooch I've ever met, he loves a cuddle, and to give kisses.

He is great in the car (in fact he loves car rides), getting used to the lead, and a quick learner with commands.

Adoption Fee: \$350

All dogs rehomed through WDR are vet checked, desexed, microchipped, C5 vaccinated, flea treated, wormed and registered with Wodonga Council
