

Trouble

Name: Trouble
Sex: Female
Age: Approx 15 months
Breed: Staffy

Trouble is actually delightful & happy!!
Trouble was surrendered to us with her friend
Monti. She is 12-18 months and already has had a
litter. She is a delightful little girl.

She loves to be inside and loves the comforts of
home that she hasn't had before. Trouble has a
good recall, and loves to go for walks.

She loves the freedom and she and Monti play
non-stop. I wouldn't recommend her at this stage
for a young family as she can be quite mouthy
sometimes.

I haven't had trouble in the car a lot but she travels
quite well. I haven't seen her chew or dig but when
she is left on her own without another dog she
cries. Trouble like her friend is one of the happiest
little dogs.

Adoption Fee: \$350
