**Breed: Boxer x**

Turbos the name, pleased to meet you! Yes yes, I know, I look like a bit of a boof head, it's because I am! Don't let the white coat fool you, I like to get down and dirty! The most fun you can have on four paws! I Love to play, love to swim, love the mud, love cuddles after being in the mud, love diving too the mud, I'm a multi colored dog, I can go from white to mud before you can say woof!

I know when I can and can't play though, I'm very good at listening! Well, most of the time anyway. I like being inside, and know when to let my foster parents know when I need go. As much as a roughy tuffy boofy boy as I am, I can be a bit of a sook. I'm not ashamed to say I love to cuddle, and I love giving kisses! I'm easy as pie on the lead, my 3year old human foster brother loves taking me on the lead... So yes, before you ask, I'm great with kids, don't jump, or try bowl them over.

I do bark when other people and other dogs walk passed, I sound mean as, but it's just to let them know I'm here. My fosters have cats too, they're ok, I don't mind cats, they tease me when I'm outside and they're in, nothing a quick woof doesn't sort out!

I had an operation on my eyes a little while ago (for entropion); it's all in my medical documents, nothing major. I'm ready for my forever home, as much as I've loved my time with wodonga dog rescue, and the lovely families that have cared for me, it's time for me to settle down with a family that I can share the rest of my life with and call my own!
