

# Zara

**Name: Zara**  
**Sex: Female**  
**Age: Approx 4 years**  
**Breed: Staffy**

Zara has been in care for a while now but I can't believe why. She is such a great dog. At the moment she is in foster with large and small, male and female dogs and she gets on with all of them. She will play tug happily but she will also happily lie on her trampoline bed while the other fosters are creating havoc.

She loves to be inside and is house trained. When she first comes in she is a bit restless but she settles down and is happy to curl up, but as soon as you get up she is up too. She is great in the car and loves to go on trips like the park where she has a ball. Her recall is great and she has learnt to love the water.

She is no slouch so will need daily walks. She isn't good with cats and would be better with older children as she gets excited sometimes and will jump and she is quite strong.

**Adoption Fee: \$350**

All dogs rehomed through WDR are vet checked, desexed, microchipped, C5 vaccinated, flea treated, wormed and registered with Wodonga Council
