

Zelda

Name: Zelda
Sex: Female
Age: Approx 3-4 months
Breed: Mixed Breed

Zelda came into the pound with her sister but her sister has recently been rehomed and Zelda is now developing her own little personality. The two of them did stuff together, and I thought she would sook but she hasn't.

She will sleep on her own without a fuss. She has gone all night frequently without making a mess. She loves other dogs and has just met a fluffy pup which she thought was a squeaky toy until she was put in her place. She now knows her boundaries and the house is peaceful again.

She is good around her food. I don't hear her bark much. She is quite gentle and is learning to sit for her tea and breaky.

Her breed is a total mystery; she is 3-4 Months old and is still quite small and lean with longish ears and under 10kgs at the moment. Like all puppies she will need ongoing socialising and training.

Adoption Fee: \$400

All dogs rehomed through WDR are vet checked, desexed, microchipped, C5 vaccinated, flea treated, wormed and registered with Wodonga Council
